| 11/14 | Social Media Policy meeting with Amanda Stewart, Abigail Williams and Dennis May       |

Updates

All professional staff attended at least one day of the New York Library Association conference this year in Saratoga Springs. Everyone seemed to have a good time and came back with some fresh ideas to enhance our programs and services.

I met with Dave Bonacci in late October to discuss our needs for a historic building appraisal. Jervis Library was referred to him by their insurance broker to possibly conduct their appraisal, and Lisa Matte shared his contact information with me. I am waiting to receive a proposal for the scope of work and associated costs.

I attended the Oneida County budget hearing in Rome with Mandy Travis and Lisa Matte to show support for library funding. The Oneida County budget passed on November 12 with library funding at current levels.
